

Installation

11. NOVEMBER-2015

UMS APP

Install UMS App

Mobile app for iPhone, Android and Windows Phone.

INLOGIC A/S

Silkeborgvej 140
8700 Horsens
tlf: 42 40 88 00

www.inlogic.dk

Installation

Install UMS Web. The website needs to be public available.

Provide the UMS Web url path to inLogic. If you are running any kind of gateway (TMG or UAG) this needs to be provided as well.

Setup and run the scheduled job; getStudents.

Note

These are the minimum for the app where you'll be able to login. For installation guide open the desired manual you need for each functionality and for app settings open the technical manual. For a total list open the prerequisites for UMS App.
